It's the last half term!

Summer holidays are almost here..

The Year 2 leavers' show and presentation will take place on the last day of the preschool year - Friday 22 July 2016. The show will start at 1.45pm and we invite you to join us afterwards for refreshments.

This is always a proud moment for preschool - we have watched the children grow and flourish over their time with us and we share your hopes for their future. Please come along and enjoy the show!

Other important dates for your diary are listed in the panel below.

The Line Dancing evening on Saturday 18 June should be a great night! The tickets are £4.00 each and you don't have to be an expert line dancer to join in, there will be something to suit everyone and regular 'learner' dances throughout the evening. You don't need to dress up, just wear shoes rather than trainers, so that you can slide!
By the way - there's a bar!!

Year 2 Classroom Visits

Those children who attend Preschool for the Monday afternoon session will begin classroom visits this half term. They will visit for around an hour in small groups along with a member of Preschool staff, to familiarise them with what will become their new environment. Children who do not attend on Monday afternoons should make their own arrangements with their primary school.

Sunshine

We will be outside as much as possible this summer, so please ensure that your child has appropriate protection from the sunshine and remember to put names in sun hats etc. *Thank you.*
