Summer at Last!

Let's hope we see some sunshine...

Firstly, we would like to thank all our generous families for donating over 60 Easter eggs on behalf of JCI, and Miss Brazil and Mrs Beer for arranging the collection in aid of underprivileged children.

The planning for this summer term for Year 1 children is based around 'Goldilocks and The Three Bears' and includes maths learning up to the number three, sizes and arranging into groups.

The Year 2 children will be concentrating on 'All About Me' including similarities and differences, sizes and height.

This term is the beginning of an important transition into primary school for our Year 2s and will include: small group visits to Cullingworth and other local primary schools to support their transition into their new school; PE sessions at Preschool where the children will be encouraged to get themselves changed into their PE kit (see below); and a more structured approach to learning during small focus groups to prepare them for the next step on their educational journey.

Important Date for your Diary

The next Preschool Committee meeting will be held on:

Thursday 16 April

at 7.45pm in the Village Hall.

Please come along - the Preschool relies on the parents/carers of our children in order to run. Without enough people on the committee, the Preschool would not be able to function.

It's also a great way to meet other parents, make friends and socialise!

Parking

Would you please ensure that when driving into the car park at Preschool, you only park in designated parking bays. Parking in other areas blocks access and makes it very difficult for other families to use the car park.

Thank you.

PE Sessions - Year 2 Children

In order to prepare the Year 2 children for primary school, we ask that each child brings in a PE kit consisting of shorts, a t-shirt and a pair of pumps, all named, in a bag which is also named. You don't have to buy new kit, anything will do, but you may wish to use the PE kit for their primary school so that they are familiar with it when they go. These kits will be kept at Preschool and the children will be encouraged to get themselves changed for PE sessions.
