
Police Community Support Officer

We are very pleased to be able to tell you that Paul Allwood, the PCSO from the Bingley Police Office, will be popping in regularly as part of his community work. Paul will spend some time in the setting, and we are sure that this will develop links and build positive relationships with the children.

Christmas Fair

Sunday 2 December 2012 - Village Hall

Please make a note of the date of our Christmas Fair this year. We would be very grateful for any donations towards the tombola - it doesn't have to be anything big, no-one is ever disappointed to win a packet of biscuits or a bar of chocolate! We are also collecting small, clean plush toys for our 'Teddy in a Bag' stall. Our jar stall proves very popular, but we need plenty of jars filled with sweets etc, so donations of empty jars, sweets/little things to put in them - or preferably jars that you have already filled would be greatly appreciated! There will be an appointment system for Santa's Grotto which will be available after the half term break. This is a major fundraiser for Preschool, but it only works with your help. Thank you.
