## Emergency Services

*nine, nine, nine!...*

We are continuing with our theme of 'Emergency Services' and the children will have the opportunity to build on their learning from last half term. If you have any photographs of your children or suggestions towards our planning around

Emergency Services and the people who help us, we will always be pleased to hear from you. The children have really enjoyed the role play area and dressing up as firefighters, police officers, doctors, nurses and paramedics.

### New Staff Member

We are pleased to introduce Haley Brazil who joins our team as an Auxiliary Practitioner, to assist in the smooth running of the setting.

### Monday 2 March 2015 - 9.15am

#### Family Information Session

We are pleased to have been able to arrange for a member of the Pre-school Learning Alliance (PLA) to come into our setting to deliver an informal information session on Early Language Development for parents and families. Why not stay when you drop your child off on Monday morning, you could get together with other parents/carers to explore this important area of learning.

## Pre-school Committee

The next Pre-school Committee meeting will be held on **Wednesday 4 March** at 7.30pm in the Village Hall.

Please come along - the Pre-school relies on parents/carers of our children to help run the Pre-school. Without enough people on the committee, the Pre-school would not be able to function.

It's also a great way to meet other parents, make friends, socialise and have a say in your child's early education.

## Make your face funny for money!

**Friday 13 March is Red Nose Day. Why not make your face funny for money and give us a small donation towards this year's appeal? Every penny counts!**

**Thank you**

### Family Day Out

This year we are considering going to Hesketh Farm Park for our summer trip, but we would like to hear your opinion.

The cost of the trip will be a maximum of £7.00 per child and £5.50 per adult, with a few seats available on a minibus for those who are unable to make their own way there (we would ask for a small donation towards the cost of this transport).

Let us know what you think about this idea. You can check out their website on

[www.heskethfarmpark.co.uk](http://www.heskethfarmpark.co.uk)

We would be very happy to receive any alternative suggestions you may have for our trip.
