Here comes summer!

Let's hope for some sunshine

This half term is only four weeks long (with a bank holiday in the middle!), so we are extending our themes to cover the whole of the term from now until the end of the school year in July.

The Year 1 children will be looking at minibeasts and all things that grow, including making our very own nature pit to

encourage the beasties into our back garden.

The theme for the Year 2 children is 'All About Me', which will begin their steady transition into primary school, beginning with them bringing in their own PE kit to keep at Preschool, so that they can practice getting changed ready for PE.

Easy Money for Preschool

Did you know it is really easy for you to raise money for Preschool - without any effort?

EasyFundraising is an organisation that works a bit like a search engine for most of the big retail sites. All you have to do, once you've registered, is open the EasyFundraising home page and from there, go to whichever website you usually use, buy whatever you would normally buy, and EasyFundraising will collect a donation on behalf of Preschool from the website. It couldn't be any easier! To register please visit:

Why not ask your family and friends to register, too?

Thank you!

The Rhyme Time Challenge

Many thanks to the four families who supported the Rhyme Time Challenge, and gave such positive feedback.

We will be sure to continue to publicise our future parent events, so keep a look out for more to come.

Buttons!

If you have any buttons of any type that you no longer need, may we please take them off your hands for our collection. Buttons are a welcome addition to our baskets of textures.

Thank you
