## Thank you!

*Thank you to all our families who saved the Morrisons Let's Grow vouchers*

The Morrisons Let's Grow vouchers that we collected last term have resulted in several pairs of children's gardening gloves, trowels, seed potatoes and two large storage boxes. Thank you very much for your continued support with these collections, and please

remember that we are currently collecting the Sainsbury's vouchers, too!

Hopefully, when the sun does eventually come out we'll be able to get into the garden and do some planting in our super planting tubs, which is always a hit with the children.

### **Nell Bank Summer Trip**

Thank you to all those who responded to our survey regarding the summer family trip. The results are as follows:

92% of parents/carers responded to the survey, and of these 94% voted **Yes**, and 6% voted **No**. That equates to 43 votes for Yes and just 3 votes for No. The families who voted No have all given specific reasons for not wanting or being unable to go.

I have, therefore confirmed the booking for Wednesday 16 July 2014.

Further details will be published nearer to the time, and a saving scheme will be started this half term for those families who would like to spread the cost over the next 15 school weeks.

Ever wondered exactly what your child gets up to during a Preschool session? Why not sign up for Parent Rota duty and find out for yourself! Parents are encouraged to participate and support a wide range of activities as well as reading to the children or maybe mounting some of their artwork, whatever you feel comfortable doing. The children love to see new faces in the setting!

### **Melody Munchkins Music Class**

A new music class for pre-school aged children is starting up at Cullingworth Methodist Church. It will be held on Friday mornings from 9.15 - 10.00am, and the first session is free. To contact the group please ring 07792329524 or email them at [melodymunchkins@hotmail.co.uk](mailto:melodymunchkins@hotmail.co.uk)

Don't forget that we have a few different companies who offer a range of books, gifts and gadgets for sale at very competitive prices. Preschool benefits from free books for the children as commission on goods sold, so you are not only getting a bargain, but helping Preschool, too!
